Technical Data Sheet

Divinol Syntholight 5W-40

Product description

Divinol Syntholight 5W-40 is a smooth running engine oil based on the most modern HC synthesis technology. This product guarantees excellent running properties, low abrasion and measurable fuel savings due to the reduction of friction and a fine cold starting performance. Divinol Syntholight 5W-40 has a high resistance against oxidation and the well balanced additive system avoids sludge.
